

Bradford Prescott, AIA Architect

Bradford Prescott AIA brings 30 years of experience to the firm. Since graduating from Pratt Institute in 1991, Bradford has practiced at firms in New York City and Massachusetts. His diversified project experience includes education, healthcare, municipal, retail and residential work. He is licensed to practice architecture in much of New England and is an NCARB Certificate holder. Bradford lives in South Woodstock, Vermont with his wife, Christa where they enjoy riding their horses and hiking the hills with their dogs.
